

Dan Rak Design

Dan Rak Design is situated in Chicago, Illinois. Founded by interior designer Dan Rak, the firm strives to design stylish, comfortable spaces in which each client can feel happy, secure and at ease. With an aim to create homes of long-term value, Dan Rak Designs takes an analytical approach to design and construction. Every project is well-planned out with steps and solutions to challenges that may be faced in each space – this prevents unnecessary problems from arising and ensures a seamless design process and a happy client. With an interior style that is modern, contemporary and stylish, Dan Rak Design creates visually attractive interiors that exude elegance and look fantastic.
